

Kingdom Living - Luke 6:37-49 (Pg 863)

The Blind Leading the Blind (vv. 39–40)

When people look at me what are they watching?

- A blind guide?
- Or one who really knows and follows Jesus?

1. Do you see the speck but not the log? (v. 41–45)

'...out of the abundance of the heart [the] mouth speaks.' (Luke 6:45)

What's the dearest thing to your heart?

2. Do you call Jesus Lord but don't obey? (vv. 46–49)

Whether you do what Jesus says, or just hear what he says, is the difference between Jesus actually being your Lord, or not.

Jesus as Lord only in word, whose word is ignored -> perilous future

Jesus as truly Lord, whose word is lived out -> secure future
