

“Wholehearted Obedience”

Joshua 8, page 183

What kind of people does God want in his Land?

1. Those who show Wholehearted Obedience to God’s Word

Israel show us by their action who they trust, who they fear, who they serve.

Israel trust God’s goodness and obey His Word wholeheartedly

2. Those who are Committed to keeping All of God’s Word, Always!

That means even though tomorrow might be hard, even though the nations ways might look attractive, they will keep obeying God’s Word.

3. Cursed or Blessed People?

The Curse: The Judgement of Death, out of God’s Land (Deut 21:22–23)

The Blessing: The Gift of Life in God’s Land (Gen 13:18, Gen 15)

Are we cursed or blessed? (Gal 3:10–14; Isa 53:8–9)

Be those who are wholeheartedly obedient to the God’s Word - living it all out, always!
