

"A love letter from God to his people "

Joshua 23, (Pg 197)

1. God favours his people

"Look what I have done to them, for you" - v1, 3, 4, 5, 9, 10,

God is trying to fire up Israel's love for him in return

2. Despite what they are like

Don't be lured away from God by the nations.

Don't turn back to Egypt,

...or you will perish from the good land, v13, 15, 16

3. Be very careful, therefore, to love the Lord your God.

Do you think the world wants to lure us away from Jesus?

The warning - Be careful mixing with the world, they serve another god.

The test - ask yourself, "who holds the prime place in my heart?"

The solution - list all the things Jesus has done for you.
