

“Happily Ever After”

Joshua 24, (Pg 198)

Israel are now enjoying a happily ever after...

1. A bible overview of Israel and God, v1-13

Israel are lost and hopeless and in danger, v2, 4, 6, 7, 8, 9, 11

But God...graciously intervenes to save, v3, 4, 5, 6, 7, 8, 10, 11, 12, v13

Would your own bible overview with God, be a similar story?

2. Therefore serve him in sincerity and faithfulness, v14-28

We do not serve our way into the Promised Land - Grace vs performance

Ultimatum time

“choose this day whom you will serve”, v15

“As for me and my house, we will serve the Lord”, v15

A right fear of God will keep us sincere and faithful, v19-20

3. A marriage and a happily ever after

Witnesses v22, fidelity v23, covenant v25, forever v27, v31

Can you see what the Lord has done for you, v31

Look back on your own bible overview with God, until you're convinced.

Then choose this day whom you will serve.
