

Are you sure salvation is black and white?

John 3:22–36 (Page 888)

Real belief is not based on signs and wonders, but on Jesus' words.

First testimony: from John, v22-30

John's testimony - *"Jesus is the Christ"*

You believe based on what eyewitnesses **have seen and heard**

Jesus brings relationship with God

Second testimony: from Heaven, v31-36

Jesus tells us about heaven - it's what he **has seen and heard**.

BUT...no one receives his testimony v32

Why wouldn't you want to listen to Jesus' word...

...Sent by God, utters God's word, he has the Spirit, he is the Son.

Jesus says, salvation is black and white - 3:16, 18, 36

Perish v16, condemned already v18, wrath remains v36 - pre-existing conditions

Non-believer - *God would love to save you from perishing.*

Believer - *Do you think people are perishing without Jesus?*
