

Be Confident that Jesus is the Best

Hebrews 10:19–39 (page 1007)

Concerned about our Confidence

1. We have Confidence before God. The All-In For Jesus Life...

- Draws near in full assurance that we're clean (10:22)
- Holds fast to our confession because of who made the promise (10:23)
- Considers one another (10:24–25)

How confident in Jesus does your life look?

2. Warning! If you go on sinning deliberately → judgement | fear (vv. 26–31)

The Danger: A deliberate ongoing choice to put their confidence in something other than Jesus

3. Remember! Your former attitude to suffering: endurance now — reward later (vv. 32–39)

What a strong past! What a strong future! Faith needed now!

Do Not Throw Away Your Confidence!
